

The Holbrook Town Forest Committee has scheduled guided walks in the woods on the following dates:

- Saturday January 14th
- Saturday February 11th
- Saturday March 11th

All the walks will begin at 1:00PM and will be held snow ❄️ or shine ☀️ !! If there are heavy rains, however, the walk may be cancelled. We will notify via email and Facebook of any cancellations.

Please meet at the Sodergren-McKay entrance (Park Drive). Each month we will be exploring a new trail so we can explore all that the Holbrook Town Forest has to offer. Please be sure to bring along some water, dress appropriately for the weather, and bring a friend who may never have been in our beautiful forest if you can!!!!!!
